

General

CTFINANCE operates as an integrated real estate and investment in Australia, Asia, Europe, and the Americas.

It operates through Development, Construction, Medical Equipments, Crypto currency, Manufacturing and Investments segments.

The Development segment develops inner-city mixed-use developments, apartments, communities, retirement, retail, commercial assets, and social and economic infrastructure.

The Construction segment provides project management, design, and construction services primarily in the commercial, residential, mixed use, defense, and social infrastructure sectors.

The Investments segment owns and/or manages investments, including property and infrastructure co-investments, retirement livings, and the U.S. military housings. It also offers project management, design, and construction services.

CTFINANCE was founded in 2012 and is headquartered London.
